I have the honor to submit herewith copy of letter No. 1815-24/ dated the 15th instant from the Deputy Commissioner Hassan District together with its enclosure intimating that marriage festival at Sravanbelgola in Channarayana Taluk comes off during next month -- commencing on 27th February and continuing till 16th March. At the Swamigalavaru requests the grant of a sum of Rs. 5000/- in advance from the surplus funds at the credit of the matt to meet the expenses in connection with the grand function as there is no time to collect -- subscriptions from the devotees as was done on a similar occasion -- previously in the year 1910, and recommending that the said amount may be sanctioned as desired by the Swamigalu.

In view of the fact that this function is unique coming off -- at long intervals I beg to recommend that a sum of Rs. 5000/- may be sanctioned for the purpose from the sum of Rs. 11461-11-1 reported to be available on the 30th June 1923 at the credit of the matt. The amount made payable to the Amildar of Channarayana to be paid by him with him for payment then and there of the bills forwarded by the agent.

the Swamigalu of the Jain Matt at Sravanabelagola for expenses connects
with the ensuing Mahamastikabheshekam ceremony during the months of
February and March 1925 for favour of orders.

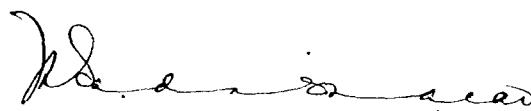

2. The Swamigalu requests that a sum of Rs.5000/- may be sanctioned
out of the surplus funds available at the credit of the institution.

It is reported that on the previous occasion of Mahamastikabheshekam
ceremony in 1910, as the ceremony was put off by a year they had
ample time to collect subscriptions, the expenditure was met by the --
devotees and nothing was paid out of the funds of the Matt and the ---
expenditure was met by the devotees themselves. The Swamigalu states
that there is hardly any time to make similar arrangements for collect-
ion of subscriptions on the present occasion. According to the books
of the Comptroller a sum of Rs.11463-11-1 on 30th June 1923 is said to
be at the credit of the institution.

3. In these circumstances, I request that sanction may kindly be
accorded to ~~am~~ incur an expenditure not exceeding Rs.5000/- in con-
nection with the Mahabhishekam ceremony out of the funds of the Matt -
as desired by the Swamigalu and permission given to draw the amount in

3. (a) The Swamigalavaru of the Jain Matt has, it appears formed a Committee consisting of 24 members with the Swamigalavaru as President and Mr. M.L. Vardhamanah of Mysore as Secretary, for the management of affairs connected with the ceremony. Still, as the Matt is a Muzrai Institution under the management of Government, the Government also have to supervise the affairs and as the Chief Local Officer of the Amildar of the Taluk is responsible for it. He must ascertain from the Swamigalavaru, the programme of events connected with the ceremony and see that the function is carried out successfully without room for complaints. With regard to receipts and expenditure of money other than the subscriptions raised by private arrangement by the Committee appointed by the Swamigalavaru for the purpose, in connection with the ceremony, the Amildar should see that they are properly accounted for. The collection of Kanikex offered to the deity

the temple should be properly supervised and the Amildar may depute one or two of his Taluk Officials for the purpose. The Swamigalavaru is reported to have been already paid by the Amildar, a sum of Rs.1549-11-9 being the surplus of realisations made on the previous occasion of Mahamasthakabhishekam in 1910, which had been deposited in the Government Savings Bank in the name of the Amildar. A further sum of Rs. 5000/- has been asked for by the Swamigalavaru out of the surplus balance of the income of the Matt.held in trust by Government and it has been recommended to the Muzrai Commissioner for sanction. These and other amounts sanctioned for the expenses for the ceremony should be treated as advance subject to their adjustment on a proper bill by the Amildar in due course. Sir,

With reference to your letter No. 1205/M.F. 204-24-7 dated 9th -- February 1925 stating that Government are not inclined to sanction any amount from the funds of the Sravangabelagola Matha for Mahamastakabhisheka, I have the honor to state that the orders of Government as above were communicated to the Deputy Commissioner and the Swamigalu. The latter has sent the accompanying Dharma Patra dated 21st February 1925 renewing his request in the matter.

2. The Swamigalu urges that the inam villages were granted to the Matha by His Highness the Maharaja Krishnaraja Wodeyar, III, primarily for the worship and abhisheka of Sri Gomateswaraswami and that the -- periodical ceremonial washing of the Deity will be for the well-fare and prosperity of His Highness the Maharaja and the Royal family and that in consequence the refusal to grant a portion of the income for the -- purpose requires reconsideration.

As regards precedents, the Swamigalu states that manul will not be a safe guide in such matters and that modifications in the several items of expenditure have to be adjusted with the advance of times and ^{as} occasions arise.

In conclusion the Swamigalu requests that the orders already - passed may kindly be reconsidered and the amount asked for made ----- available from the interest earnings of the Institution Funds invested

in Government loans.

It goes to be that there is over in what the Swamigalu says and that the matter deserves reconsideration. The ceremony is one occurring at long intervals and the grant asked for does not seem to be extravagant having regard to the importance of the occasion and the large number of devotees that are expected to congregate.

I solicit the favour of further orders in the matter.

I have the honor to be,

Sir,

Your most obedient servant,

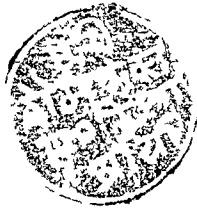

CS Balasundaram

Muzrai Commissioner.

view and in consideration

of the fact that the ~~whole~~ ^{over} ~~of~~

 undesirable that any portion of the

 as the funds at the disposal of the

 investments) are likely to be required
 in the building req^d for the museum in
 respect of which an estimate has been

 donors desire to make some contribution
 towards the expenses of the function on the
 ground of its being a legitimate charge
